The articles should be manufactured out of the best well-seasoned Mysore teak free from defects. They should strictly conform to the specifications given. The workmanship should be good and all the articles should be well polished. Such of the articles as are considered defective either due to bad workmanship or to the use of bad materials will be rejected at the risk of the suppliers and they should replace such articles by sound ones free of cost. The rates should include cost of delivery, etc., at the College.

The successful tenderer or tenderers, will please note that in the event of his or their failure to execute the contract satisfatorily and within the stipulated time, which shall be 30 days from the date of acceptance of tender and execution of agreement, the earnest money deposited, will be forfeited.

The tenders will be opened by the Superintendent, Intermediate College, Bangalore, at his Office Room, on Monday the 2nd September 1929, at 4 P.M. in the presence of such tenderers, as may chose to attend.

The undersigned reserves the right to reject or accept any tender without assigning any reason therefor.
